Fireballs at Work

FIREBALLS to the following people for the successful Book Fair activity held for the Middle School and High School students during the special activity period in the auditorium last Wednesday, October 25th:

- a. Rusty Crace, Debbie Fetzter, Pamela Gatto, Jeff Richards, and Dan Fitzpatrick for telling wonderful stories from the books. Everyone, especially the students enjoyed these stories so much that they asked where they could find the books in the library.
- b. Eugene King for working seven hours on the large book cover that was hung over the curtain rod on the stage.
- c. Mary Kovatch, Middle School language arts teachers and High School ESL teachers for their assistance with the programming. -Linda Canty

Announcements

Please Help - A former ISD student, Asmani Aluta, is seeking a host family for his sister, Jeannette, so she can come to Indiana and attend ISD. Jeannette is currently living in Burundi, Africa. She is eighteen years of age and wants to complete her high school education at ISD. Please contact Pam Burchett, Social Services Coordinator, at 920-6275 if you are interested. Thanks!

1999-2000 Yearbook - Jostens recently informed the Yearbook staff that the 1999-2000 yearbook will arrive at ISD during the week of November 11.

Hallway TV Monitors - We are pleased to announce that we now have four additional TVs connected to the ISD TV Studio. In addition to the existing 7 TVs in the Alumni Hall, 4 new TVs are now operational in Brown Cafeteria. You may also notice that the TV Studio has increased programming and is getting better and better everyday. There are plans for expanding the programming even more in the near future. We will start working on adding more buildings to the TV system. We have a big challenge due to the proximity of these buildings since they are further and further away from the TV studio. I would like to reinstate these words once more...PLEASE do not

touch these TVs. Do not turn them off AT ANY TIME. Leave them run 24 hours 7 days a week. Please do not change channels or anything. They should always be running programs from the TV Studio at all times. If you see them turned off or are on wrong channel, please turn them on and/or set them to Channel 3. We have observed some abuse of them by students, so we need your help in making sure these TVs are operational. Your cooperation is greatly appreciated! – Jay Krieger

New Product – The Windows Gift Shop has black pens with Indiana in orange available for \$1.00. They are great as a stocking stuffer of gift idea.

CSSD Volunteers Needed – The CSSD Cheerleading Competition needs helpers for the competition. Helpers are needed to work as timers, scorekeepers, tallying, and setup/decorations. Please contact Mary Kovatch (extension 334) or Sharon Baker (extension 622) to volunteer.

Upcoming Activity Periods – Several Activity Periods have been scheduled for the remainder of the First Semester. They are:

November 1	Middle School Election Process Work
November 8	High School Election Process Work
November 15	Call-out for Jr. NAD
November 22	JR. NAD Leadership Series for HS (Middle School Math Program 8-11 in the Auditorium)
November 29	Jr. NAD Meeting in Vocational
December 6	Jr. NAD Meeting in Vocational
December 20	Jr. NAD Meeting in Vocational

PTCO Needs Your Donations for a Holiday Sale - Indiana Deaf School's PTCO (Parent-Teacher-Counselor Organization) is collecting new or gently used children's items for a Get Ready for the Holidays Sale. Proceeds will be given to the Preschool/Elementary Playground Fund. PTCO is accepting donations of new or gently used children's:

Clothes	Toys	Books	Collectibles	Infant items
---------	------	-------	--------------	--------------

Drop off locations are in the Alumni Hall, outside Room #119 (PTCO and Outreach Office) and Preschool Building, outside Room #109 (Preschool Secretary's Office). Donations will be accepted beginning October 16th through ending November 15. Donations will be picked up daily. The Holiday Sale is tentatively scheduled for Saturday, November 18th. More information about the sale will be advertised in the near future. Our playground goal is \$150,000. Currently, PTCO has \$283 in the Playground Fund. This is not a lot of money compared to our goal, but it is a beginning. Thanks to all who have contributed time and/or money to this much-needed fund? Help PTCO build a safe and accessible playground. Please bring donations and help make the Holiday Sale a huge success. For more information contact, Barb Gantt bagantt@mindsoup.com or Jodee Crace jscrace@aol.com.

Holiday Wreaths for Sale – It's that time of year to start thinking about holiday traditions! The class of 2001 members are selling wreaths as part of their fundraising efforts. The wreaths will arrive at ISD on November 30 and delivered to you by class members. The deadline for purchasing wreaths is November 8.

New ISD Product Available – *Attention, Students, Staff, Parents, ISD Supporters, and Fans in General!* If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner materials (Orange sample) is available in either orange or black and costs \$40.00. The thicker materials (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). Both sweaters have elastic color coordinated collars, arm cuffs, and waistbands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed this Friday, November 3rd so that deliver for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's office to view or order these sweaters. Deadline for orders is this Friday, November 3rd and those who have placed an order, but not yet paid, please bring your money to the Principal's office by this Friday.

Purdue University Representative to Visit – There will be a Purdue University Representative from the admission office visiting here on Friday, November 3, 2000 to meet with some of our juniors and seniors. The schedule for the morning is:

Software Ratings - Some of you may have noticed ratings placed on computer software. These ratings are given out by Entertainment Software Rating Board (ESRB). Their ratings look like EC, E, T, etc. They are similar to the ratings all movies get (e.g., G, PG, PG-13, R, etc.). It is recommend that you refer to their web site <http://www.esrb.com/esrb.html> to learn more about these ratings, how they are determined, and by whom. The web site also has a page explaining each rating category and for what audience these ratings are appropriate. This will help you determine which software is appropriate for your students.

They will be staying in Fair Hall. Please make them welcome to ISD. Diane Hazel Jones is coordinating their visit.

Preschool Open House – Thursday evening, October 26, Preschool held its annual Open House. Deaf and hearing families came together to learn more about the bilingual-bicultural education offered in Preschool for their Deaf and hearing children. It was a great opportunity for parents to see how the Deaf child's empowerment process begins during these critical years at ISD.

Preschool staff explained how they foster this process by encouraging the children to:

- Make choices as they explore the classroom Learning Centers
- Play and use ASL with hearing siblings and Deaf friends
- See ASL translated into English and English translated into ASL
- Begin literacy skills in both ASL and English (Reading and Writing)
- Choose to communicate in a variety of ways
- Interact with various ASL users including parent and ISD high school volunteers, Ball State University participants, Deaf and hearing staff and visitors
- Invite their family members to attend annual functions such as Mother/Father Luncheons and Grandparents' Day
- See TTYs in every classroom making parent/staff communication easily accessible
- Participate in cultural events at ISD such as Deaf Heritage Week, Homecoming, PTCO Day, and sporting events

Bob Kovatch, Principal, and Diane Hazel Jones, Family Resource Coordinator, were also on hand to welcome families and answer any questions related to the school-wide BiBi program. Packets of information regarding the ISD Preschool and available parent resources were given to all families.

New Staff Member – Andy Rork is the newest staff interpreter at ISD. He officially joined the ISD team on November 1, after working in the community for many years. Andy's parents both graduated from ISD – Alan Rork (1961), and Joyce Bippus Rork (1963) – and he felt that it was time to "give back" to the school, which had given his family so much. Andy enjoys reading, sports, movies, crossword puzzles, and playing his guitar. Andy also enjoys spending time with his fiancée (Teri), her son (Blake) and their newest addition – baby Casey!

Staff Development

Facilitating Outdoor/Indoor Active Play – Preschool and several Elementary staff attended a workshop on November 3rd at ISD on "Facilitating Outdoor/Indoor Active Play" lead by Gaye Gronlund, Early Childhood consultant. Ms. Gronlund has been working with the staff for the last two years conducting workshops to support The Creative Curriculum currently being used in Preschool. Ms. Gronlund was also the guest speaker at last year's Preschool Open House helping parents understand how academic learning occurs through play in well-designed classroom learning centers.

Friday's workshop included observing students at recess, evaluating our observations and playground usage, and recommendations for effective playgrounds. Information gained at this workshop will be beneficial as we continue to plan for safe, accessible playgrounds at ISD.

TV Monitors – We are pleased to announce that the TV monitors mounted in Caskey and Elementary buildings are now connected to ISDTV. Furthermore, we have completed the installation of cabling between TV Studio and the upper platform in Caskey so that we can televise LIVE any sporting events (basketball, volleyball, or wrestling games) and special events (graduation, etc.). Please continue to provide TV content to Darn Turner for inclusion in the TV daily programming. If you are not sure how this works, see Darin for more information. We will continue to add more buildings as we expand ISDTV.
– Jay Krieger, Director of Technology

D.E.A.R. – Children's Book Week will be observed during the week of November 13 through 17. In observation of this celebration, ISD Librarian, Linda Canty, asks everyone to drop what you are doing and read for fifteen minutes daily in honor of D.E.A.R. Students and their teachers will read silently for fifteen minutes in small groups or individually. All non-teaching staff is encouraged to join a class and read with

the students during the fifteen minutes. Please spread yourself by visiting a different room each day. The time schedule for D.E.A.R. is:

Monday, November 13	8:05-8:20
Tuesday, November 14	8:55-9:10
Wednesday, November 15	9:45-10:00
Thursday, November 16	10:35-10:50
Friday, November 17	11:25-11:40

Paper Drive – The Occupational Competence Class will be collecting newspapers for recycling from 9:40 to 10:30 daily. In case of a conflict with the class's schedule, the Life Studies will collect the newspapers from 1:35 to 2:25. Please leave your old newspapers outside your classroom or office door for recycling. The students will not disturb your class. If you have any comments, please contact Suzanne Bono in High School. (Housekeeping: Please leave old newspapers in all of the classrooms in Middle School and High School. Thanks.)

Be A Keymaker!

Some people see a closed door and turn away.

Others see a closed door and try the knob; if it doesn't open then turn away.

Still others see a closed door, try the knob, if it doesn't open, they find a key. If the key doesn't fit, they turn away.

A rare few see a closed door, try the knob, if it doesn't open they find a key; if the key doesn't fit, they make one.

Be a keymaker!

American Education Week

This week, November 12 – 18, is American Education Week. This year's theme is Children-School-Parents: Helping Students Achieve. This theme reflects the need for cooperation and hard work from all parents and educational staff as well as business people and community. Without this cooperation, our children will not reach their full potential as students and adults. As Tom Brokaw said in his way, "There is a place in America to take a stand; it is public education. It is the underpinning of our cultural and political system. It is the great common ground. Public education, after all, is the engine that moves us as a society toward a common destiny. It is in public education that the American dream begins to take shape. Please join Dr. Suellen Reed, Superintendent of Public Instruction and Bob Kovatch, ISD Principal in celebrating Education Week.

Children's Book Week is also being observed this week. Please join our students in fifteen minutes of reading each day. The schedule for D.E.A.R. is:

Monday	8:05 – 8:20
Tuesday	8:55 – 9:10
Wednesday	9:45 – 10:00
Thursday	10:35 – 10:50
Friday	11:25 – 11:40

Announcements

Yesterday's Sports – The MS Boys Basketball Team (7th/8th) defeated Sycamore by 21 points. The team played very well. A win at our season opener foretells a great season ahead. The final score was ISD 36 and Sycamore 15. John Mowl scored 11 points, and Stanley Mangold scored 9. Calvin Doudt scored 6, and Bradley Pollard scored 4.

The Middle School B Team lost their game 16 to Sycamore's 77. However, it is a young team that has much to learn. Colin Whited scored 9 points, followed by AJ Christian with 5 and Gabriel Paulone with 2 points.

The Girls Varsity team lost to Northwest 73 to ISD 25. The first game against quick Northwest team (Class 4A with 1,848 student enrollments) was a big nightmare for the coaching staff. The team had 56 turnovers. On the bright side, the girls did create some nice plays. With a lessening of turnovers, the team will get better as season goes on. Keep your heads up, girls! The current record is 0 – 1. The next Game is at Kokomo Christian (November 21st).

Mothers' Luncheon – Fifty-five mothers are confirmed their reservations to attend the Mothers' Luncheon on Thursday, November 16. The breakdown by department is:

Preschool	12
Elementary	30
MS	5
HS	8

Some mothers will be attending all of the scheduled events; others will attend lunch only. A list of the mothers is posted on the last page of the Daily Bulletin.

Upcoming Activity Periods

Athletic News – The 5/6th Girls Basketball Team will not have practice on Thursday, November 16. However, the 7th/8th Grade team will still practice.

Five middle school boys went to Purdue men's basketball practice at Mackey Arena last Sunday, Nov. 12th. After the practice, they received tips on shooting techniques, man-to-man defense, and "triple threat" stance from assistant coach Cuzo Martin. Big thanks to Renita Terry (Marcus' mother) who worked hard to contact Purdue and made plans for the boys to visit at Purdue. Curtis Sigafoose, Clayton Anderson, Marcus Terry, Sammy Davis, Bradley Pollard, and Jon Mowl. Attended the practice and met Purdue Head Coach Gene Keady

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

CSSD Meeting—For those involved with the CSSD Tournament, there will be a meeting on November 21 at 3:30pm in the Caskey Building.

Technology News - Using the network installed to provide message board in Health Center, we were able to take advantage of that connection to provide additional network services for Health Center and Elementary Department areas. Key staff in these areas now use GroupWise Network rather than Groupwise Remote. Nearly all PCs in these areas have access to our high-speed Internet connection. We will see what we can do to include Preschool, Brown, Koob/Fair and Caskey. Please keep in mind that the network we are using now is **not** the new network we are building, so we continue to try to limit requests to create new user network and email accounts. Thank you. --- Jay Krieger, Director of Technology

Holiday Sale - PTCO is having a Children's Get Ready for the Holiday Sale. This is similar to a garage sale, but there will also be a gift-wrapping service available. If you find something nice for your child have, it gift wrapped for the holidays. Your well-spent dollars will benefit the playground fund. PTCO is fundraising to help ISD build fun, safe and accessible playgrounds for the preschool / elementary children. We are still collecting donations of gently used / new children's items. Drop off locations are Alumni Hall Room #119 and Preschool Building Room #103. Many thanks to the people who donated items for the sale. Together we can make dreams come true.

We ourselves feel that what we are doing is just a drop in an ocean. But the ocean would be less because of that missing drop. - Mother Teresa

From Principal Kovatch

Each day, I witness a great many wonderful things happening in the Education Department at ISD. I am lucky to be able to go from department to department and see the many learning experiences that are made possible through the hard work and dedication of the students, staff, parents, and administrators. However, I do not want to keep all this good news to myself, so I have decided to share it with the school community on a weekly basis. I am going to try my best to write a "Friday Wrap-Up," in each Friday's Daily Bulletin and share some of the highlights of the week. Obviously, I will not catch each one. After a few Friday's go by and the readers get the feel of what I am writing about, please let me know of other good things that are happening so I can add them to my weekly list. Keep up the good work!

FRIDAY WRAP-UP

- + Check out the great Middle School science project leaf collections displayed in the MS hallways. Great job!
- + You can't miss the WELCOME sign as you enter the Elementary Department. Made by students, it gives the lobby a warm glow.
- + A creative science lesson in the Elementary Department proved that bottles containing liquids of various colors and consistencies can be very effective.
- + Want to know more about idioms and see a very innovative bulletin board? Check out the main hallway in the Middle School!
- + The High School election process imitated real life! It (also) ended in a tie. However, the high school election process coordinators demonstrated their efficiency and broke the tie in less than 24 hours (unlike our national election). Congratulations to Willie McWhirther and Michael Muckenfuss, HS President and Vice President.
- + Comments galore!!!! Our visitors to ISD marvel at the Bi-Bi Philosophy in practice.
- + The HS Jr. NAD is alive and well. Wait until the school community sees the holiday cards the organization is selling. Get yours early!
- + The Preschool Department teachers are refining the technique of developing portfolios for all of their students. With their leadership in this endeavor, the days of students graduating with a 12-year portfolio can't be far off.
- + Raise the helmets high for HS footballer, Robert Haney, picked to the Indianapolis All-City Team this past week. It is not often that one of our athletes is honored in this big city. Those, who watched him this year, were treated to a surprise every time he touched the ball. Hope his luck continues during round-ball season.
- + Teachers continue to respond positively to the classroom observation process. "Professional Development Therapy", one teacher described it.
- + Our visitors from Switzerland commented that of all the programs they visited, ISD most

resembled their own. They commented that they will try to replicate our curriculum and school philosophy. Quite a compliment to ISD.

- + D.E.A.R. Mrs. Linda Canty, thank you for publicizing, promoting, and monitoring the Drop Everything And Read program. Teachers commented positively about the amount of reading students accomplished in only 15 minutes. Some teachers admitted to stretching the time a little (a lot!). Can Drop Everything And Write..., etc.... be far off?
- + Good thoughts, random acts of kindness, a restful weekend, and Happy Thanksgiving break to all.

Announcements

Athletic News – Yeah! Two straight victories have occurred with last night's win against Trader Point. The 7th/8th Grade Boys Team won by 14 points. The final score was ISD 48 and Traders Point 34. Jon Mowl played well and scored 21 points. Bradley Pollard scored 15 followed by Calvin Doudt's 12 points. The team's current record is 2 wins and 0 losses.

Holiday Sale Tomorrow! - All profits will benefit PTCO's Playground Fund. The holiday sale is similar to a garage sale except gift-wrapping will be available. There are many young children's items that are new or gently used and suitable for gift giving. You may find that perfect gift for your little one at half the price. (There is some adult merchandise also.) This is a cash only sale. The generosity of the ISD community has been wonderful. Thank you for taking the time to donate your items.

Where: Indiana Deaf School û Preschool Gym
When: Saturday, November 18, 2000
Time: 11:00am û 3:00pm

News from the Switchboard - Just reminder that when you call any number like a pager or your bank or any type of telecommunication and don't finish the call, it will ring back to me. I then finish the call or get to hear the end of the message. So, please make sure you complete all calls before you hang up. Thank you.

Athletic Schedule Changes – HS Wrestling on 12/12/00 vs. Carroll has been cancelled.

HS Boys Basketball – The JV game with Morton Memorial on November 21 has been cancelled. The Varsity Team will still play at 7:30.

Lost and Found – Please check with the Principal's Office when you loss or find items. Pam Lewis in Building 6, Room 117 keeps lost items for a full school year. Even if you lost something sometime ago, please check with her. Presently, she has a hat that goes to a coat, one glove, 2 prescription glasses, 4 sets of keys, a brand new key still on the cardboard, and a watch. Recently, two keys were turned in to her that were found in Building 6's parking lot. They don't look like vehicle keys. They are on a key ring with "99" on it. She gets all kinds of items o please check with her.

Library News – Check out these websites: <http://www.studyweb.com> . It has a database for a wide range of subject areas. Also under <http://www.lightspan.com>, there are areas for teachers, parents and children.

Flower Fund – Currently, our flower fund is in the red. I would like to thank everyone who continues to support this fund. If you would ever like to see our "accounting" of spending, please feel free to stop by my office and I will be happy to share this information with you. If you would like to contribute, please stop by my office! Again, thanks to everyone for their continued help and support of the Flower Fund. – Mary Rice

Visitors – Beech Grove High School students and staff (5 students and a proctor) will come here to visit ASL/Deaf Studies and watch one of teachers teach Distance Learning today. They will be at ISD for a short time beginning at 2:00 pm.

Technology News - Using the network installed to provide message board in Health Center, we were able to take advantage of that connection to provide additional network services for Health Center and Elementary Department areas. Key staff in these areas now use GroupWise Network rather than Groupwise Remote. Nearly all PCs in these areas have access to our high-speed Internet connection. We will see what we can do to include Preschool, Brown, Koob/Fair and Caskey. Please keep in mind that the network we are using now is **not** the new network we are building, so we continue to try to limit requests to create new user network and email accounts. Thank you. --- Jay Krieger, Director of Technology

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

CSSD Meeting—For those involved with the CSSD Tournament, there will be a meeting on November 21 at 3:30pm in the Caskey Building.

Winter Athletic Schedule Changes – Please update your athletic schedules with the following changes:

HS Girls Basketball – The January 21 game against Ft. Wayne Christian begins at 6:30 and will be played at Taylor University.

HS Boys Basketball – December 1 game at Tabernacle beginning at 6:00 and 7:00.

MS Boys Basketball – The Traders Point game is located at 7860 Lafayette Road.

Education Staff – The Education staff needs to report to the Auditorium on Friday, November 17 at 1:00 pm. Mr. Kovatch will lead a discussion on accreditation.

ADA-Indiana Announces Grant Opportunity – ADA-Indiana is accepting proposals for Community ADA Implementation projects costing up to \$1,500. Schools may apply for these funds by submitting a proposal by December 15, 2000. The group is soliciting proposals that especially focus on:

- Targeting high school youth participation in ADA implementation
- Helping people with disabilities know more about their rights and responsibilities under ADA
- Targeting ADA implementation in small communities
- Targeting businesses to know more about employment of people with disabilities and public accommodations
- Targeting ADA training for professional and trade associations
- Targeting transportation compliance

- Targeting unserved or culturally diverse populations

Accreditation Update – Thank you to all of the staff who were presenters, facilitators and participants in the accreditation work last Friday afternoon. As Dr. Costello left after visiting all of the departments, he remarked that he was impressed with the commitment shown by the staff so far. He also offered words of advise that we should make sure that all of the goals we develop should focus on student achievement. He said that student achievement was the main theme for which the NCA review team will look during their visit. With that in mind, each department should review last Friday's work and make sure the goals meet

NCA expectations. This must be accomplished before our December 8th session. Thanks you for your hard work.

Open Enrollment – Information explaining open enrollment for all employees will be explained in a packet, which you will receive with your paycheck on November 22. If you have questions, please contact Toni Halson in Personnel.

Attention, HS Basketball Teams - Varsity Girls and Boys Basketball Teams will have meeting with their coaches and Athletic Director Bippus on Tuesday, November 21 at 3:45 p.m. in the Caskey classroom about fundraising. All varsity players must attend this meeting. Please be on time.

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms. This will occur on Tuesdays, Fridays and Mondays until December 6.

Mothers Luncheon Update - More than 50 mothers attended the Mother's Day events last Thursday. We even had a Spanish interpreter for the day. The activities centered around "Defining the BiBi Philosophy". Deaf moms broke into their group, and hearing moms were together so that each could use their native language. Then, all six groups shared their discussions. Look for the Bulletin Board in Alumni Hall to find out what they had to say. A panel of mothers followed that talked about their experiences before and after BiBi was implemented. The panelists were: Mary Dall, Jane McWhirter, Deb Robarge and Debbie Fetzer. There were many, many positive comments made about the day. Thanks to all those who helped make the day very special, especially Barb Gantt, Tammi Hossler, Molly Peters, Lori Dille and Brenda Tress-Mowl.

News from the Switchboard - Just reminder that when you call any number like a pager or your bank or any type of telecommunication and don't finish the call, it will ring back to me. Experience is not what happens to you. It is what you do with what happens to you. – Aldous Huxley

Count Your Blessings

by Rod Smith, Indianapolis Star (11/18/00, page A19)

“If you woke up this morning with more health than illness, you are more blessed than the million who will not survive this week. If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are ahead of 500 million people in the world. If you can attend a church meeting without fear of harassment, arrest, torture or death, you are more blessed than three billion people in the world.”

“If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep, you are richer than 75 percent of the world. If you have money in the bank...

spare change in a dish someplace, you are among the top 8 percent of the world's wealth.”

“If your parents are still alive and are still married to each other, you are very rare, even in the United States. If you hold up your head with a smile on your face and are truly thankful, you are blessed because the majority of people can, but most do not. If you can hold someone's hand, hug or even touch him or her on the shoulder, you are blessed because you can offer a healing touch.”

“If you can read this message, you just received a double blessing in that someone was thinking of you, and furthermore, you are more blessed than over two billion people in the world who cannot read at all.”

“Have a good day, count your blessings, and pass this along to remind everyone else how blessed we all are.”

Sports Update – T7th and 8th Grade Boys Basketball Team played its most exciting game yet this season! ISD played a very hot game against Heritage Christian. The team played hard but lost by three points. ISD 33 and Heritage Christian 36. John Mowl scored 19 points with 5 steals and 3 assists. Bradley Pollard scored 9 points and had 11 rebounds, 8 steals and 3 assists. Calvin Doudt scored 6 points with 5 rebounds and 2 steals. The team's current record is 2 wins and 1 loss. Coach Sigafoose is really proud of the way the team played hard to the end.

Accreditation Update: After yesterday's Accreditation Update appeared in the Daily Bulletin, several staff members asked about Dr. Costello's advice in regards to all of the goals being focused on student performance. If your department is involved in discussions on this, please forward Mr. Kovatch a copy of your goals (developed so far). All goals will be faxed to Dr. Costello for his review and feedback. Upon their return, they will be sent back to the department representatives in time for more discussion before the December 8, 2000 waiver day work session. Thank you in advance for your commitment and hard work.

Public Announcement

For the past 9 years, Jerry Bass has interpreted the Annual Circle of Lights Ceremony, and will do so again this Friday evening. This event is always held the Friday evening following Thanksgiving. It's traditional for many Indianapolis folks to celebrate the beginning of Christmas by coming downtown to shop and see the official lighting of the Monument. The ceremony begins at and ends at 7:30 p.m. Deaf families with their children and families with deaf children are invited to come. A reserved section for the Deaf community is located in front of the platform (North steps of the Monument Circle). Simply tell the officials that you'd like to go to the reserved section. We encourage you to come early to make sure you can get a place, you can imagine how difficult it would be to move about, with 100,000 people on the circle. For more information about this annual event, please read the following press release that was put out by Indianapolis Downtown, Inc.: One of Downtown Indianapolis' most beloved holiday traditions is here again. Circle of Lights presented

by Methodist Medical Group will take place the day after Thanksgiving, Nov. 24. The updated and enhanced holiday decor unveiled last season will adorn the Soldiers & Sailors Monument on Monument Circle and light up the buildings, sidewalks and trees surrounding the monument.

More than 100,000 spectators are expected for the Circle of Lights presented by Methodist Medical Group ceremonial lighting and holiday kickoff on that Friday. Live entertainment begins at 6 p.m. with the televised show running from 7 - 8 p.m. The actual lighting will occur at approximately 7:50 p.m. The decorations on the Soldiers & Sailors Monument will look familiar - 52 garland strands with 4,638 colored lights, strung from the top of the monument to its base. Added last year were larger-than-life toy soldiers and peppermint sticks, which will be on display around Monument Circle. The scene is complete with 56,700 twinkle lights in trees that add shimmer to the area's walkways. Millions of sightseers take in this brilliant spectacle throughout the holiday season until after the first of the new year. The decoration of Monument Circle is one of central Indiana's favorite holiday traditions, drawing generations of families each year to share in the spirit of the season for this, the 38th year. As the official presenting sponsor of Circle of Lights, the physicians of Methodist Medical Group recognize this time-honored holiday tradition and are again pleased to help bring this free event to the people of Indiana. Methodist Medical Group is a non-profit medical group with more than 7 physicians caring for patients of all ages, located in and around the greater Indianapolis area.

Indianapolis Downtown, Inc. (IDI) coordinates the Circle of Lights presented by Methodist Medical Group each year. IDI exists to improve Downtown. It is action-oriented and addresses critical issues that affect Downtown's growth and well-being. IDI focuses on three areas: development, management and marketing.

ISD DAILY BULLETIN

Issue 2, Number 70

Wednesday, November 22, 2000

"It is therefore recommended... to set apart Thursday the eighteenth day of December next, for solemn thanksgiving and praise, that with one heart and one voice the good people may express the grateful feelings of their hearts and consecrate themselves to the service of their divine benefactor..."

SAMUEL ADAMS, *Father of the American Revolution*

November 1, 1777 (adopted by the 13 states as the first official Thanksgiving Proclamation)

HAVE A GREAT THANKSGIVING!!

Pum-pum, Pum-pum, Pumpkin Pie!

I like turkey—the dressing's cool
With potatoes round a gravy pool,
The thing that really makes me sigh
Is pum-pum, pum-pum, pumpkin pie!

When it is Thanksgiving Day
Aunt Edna comes from far away.
I kiss her cheek, it makes her cry,
I do it all for pumpkin pie.
Oh! Pum-pum, pum-pum, pumpkin pie!

The time is close, I start to stutter
And stick my finger in the butter.
As mom asks, "Now?" "Oh! Yeah!" I cry,
"A big HIGH FIVE for pumpkin pie!
Yes!!! Pum-pum, pum-pum, pumpkin pie!"

END OF THE WEEK FOCUS

By Principal Bob Kovatch

What a fast week! It is inspiring to see staff putting five days of educational activities in two-and-a-half day week.

- ❖ We are lucky to enjoy such a visual environment full of student work displays. Check out the Health classes' posters in the Caskey hallway.
- ❖ A first year staff member raved about the professionalism, commitment and sharing attitudes exhibited by our staff.
- ❖ A preschool student commented, "Who are you? ... I'm _____," and then proceeded to engage in a conversation including jokes (Isn't the Bi-Bi Philosophy at work beautiful?).
- ❖ The giant book looks great outside of the main library.
- ❖ Handshaped fingerspelling signs in the Preschool Department are an ASL/ESL testimony.

- ❖ Department bulletin boards with the pictures of staff members are always a gathering place for visitors who appreciate the introduction and identification.
- ❖ In the season of recognizing how grateful we are, here is a random list:
 - ✓ The more than 300 students we are able to work with daily.
 - ✓ Involved parents
 - ✓ Dedicated staff in pursuit of excellence
 - ✓ Message boards and ISDTV
 - ✓ Computers
 - ✓ The promise of email and internet access in our classrooms
 - ✓ The Bi-Bi Philosophy and the progress made through ASLPI.
 - ✓ High expectations becoming common practice
- ❖ Best wishes for a wonderful Thanksgiving Break for the entire ISD School Community.

ANNOUNCEMENTS

Class A Football State Championship – Robert Haney's interview will be broadcast on Friday, November 24 on Channel 40 (WHMB-TV) during the half-time of the Class A Championship Game at the RCA Dome. The interview will show Robert and Coach Reynolds in their recent interview about "Robert Haney" and his special accomplishments this year during the half-time.

Sports Update – The MS Boys basketball Team played very well for three quarters last night in its game against St. Richards. But, in the fourth quarter St. Richards shut out ISD. ISD lost by 9 points with a final score of ISD 37 and St. Richards 46. Jon Mowl scored 10 points with 4 steals. Calvin Doudt also scored 10 points. Bradley at 9 points and 7 rebounds. Stanley Marigold scored 6 points with 8 rebounds, and Marcus Terry had 11 rebounds. The team's current record is 2 wins and 2 losses. Coach Sigafoose says to keep up the hard work!

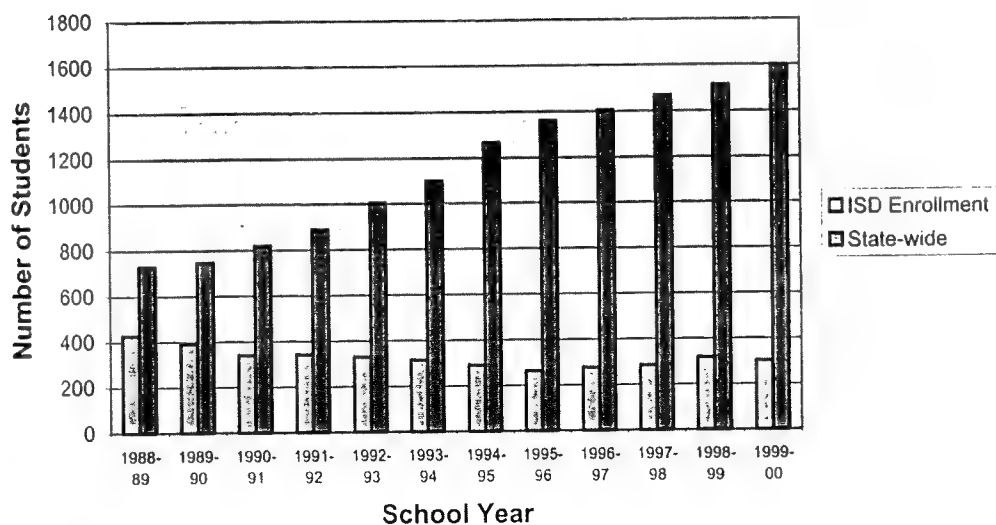

Kokomo Christian 39 Indiana 32 (HS Girls Basketball)

What a big turnaround from our previous game! We played well as a team last night. The game was close in the first 3 quarters before we fell in the fourth quarter. I am really pleased with our team's effort. Keep up with your hard work, Girls! I know that you can do it! a Nice Thanksgiving! Our current Record is 0 – 2, and our next game is against Bethesda Christian on November 28th. - Ken Kramer

ANNUAL BOOK FAIR

Don't forget the Book Fair this week in the Alumni Hall Library from 8:30 am to 2:30 pm. The books in the fair are provided by Scholastic Books. Profits from the sale support library services at ISD. Scholastic Books offers many titles for children from preschool through high school. Some books like the Harry Potter Series even appeal to adults. This is an excellent opportunity to get some Christmas gifts for your children, students, grandchildren and friends while also supporting our library.

English and Reading teachers have signed up to bring their classes to the Book Fair. Please check the schedule posted in your department to verify your time and date. If you have not done so, please see Linda Canty to sign up. Your cooperation is greatly appreciated. Thank you for supporting our libraries.

points each. The coaches were very pleased with the outcome of the game, but felt that the defense transition needs to be improved. Record 1-0.

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

News from the Co-Presidents

This year PTCO has made some exciting structural changes. PTCO now consists of nine voting members that include parents, teachers, and a counselor. The Superintendent and the Family Resource Coordinator are attending members. In order to restructure, the By-Laws were amended by the previous board and updated. PTCO is also restructuring in other ways too, going to Event Chairpeople and eliminating some of the committees that existed in the past.

Visitors from Illinois School for the Deaf and MacMurray University – Several staff members from Illinois School for the Deaf and MacMurray University will be visiting ISD today from 10:30 to 3:15. They will be learning more about distance learning by visiting Dan Stutler, Beatrice Pfaff, Daniel Smith, Teresa Huckleberry, Darin Turner and Wanda Kirby in the Distance Learning Classrooms, HS Science Lab and the ISDTV Studio. Please give them a Hoosier welcome when you see them.

Climate Audit at ISD – Please join Principal Kovatch in welcoming visitors from Sunny Heights Elementary School. They are at ISD today to conduct a Climate Audit in the Elementary Department. The four people coming are: Kathy Handy, Principal, Wendy Paige, Media Specialist, Linda Willen, Special Education Teacher, and Linda Sprouse, Classroom Assistant. The ISD Climate Audit Team will visit Sunny Heights Elementary on Thursday, November 30.

Gallaudet Entrance Exam – Seniors, who plan to apply to Gallaudet University, will take the entrance exam on Thursday, November 30 from 8:50 a.m. to 12:10 p.m. in Vocational Building, Room 7111. For further information, contact Jeff Richards.

Directions to Tabernacle Christian School of Martinsville – The HS Boys Basketball Team plays Tabernacle in Martinsville, Indiana on Friday, December 1. Tabernacle is located at 2189 Burton Lane, Martinsville, IN (765 342-0501). Take Keystone South to I-70 W to I-465 S. Stay on I-465 S until Hwy 37 S exit (the sign should say Martinsville/Bloomington exit). Take 37 S all the way into Martinsville. Stay on 37 S until Burton Lane and make a right. (There is a Wendy's and McDonald's on the corner.) The school is located at this intersection, on the right-hand side. Use the side doors to the gym, which are facing the highway.

News from the Technology Center – I am happy to announce that the Technology Center has a new addition. We have brought in Peter Pickering on board. Peter is a husband of Cindy Pickering (Student Life). He comes from a deaf family from Connecticut. He has 3 brothers, parents, a sister-in-law, one nephew, cousins, aunts and uncles that are deaf. Recently, he attended RIT (Rochester, NY). He is an all-round sports fan, and he enjoys playing golf, soccer, and softball (and will play just about any sport). His hobbies include collecting sports cards, watching sports, camping and annoying his newly-wed wife. He will serve as our Computer Technician, and his duties at ISD are similar to our Bobby Jacobs. He will attend to resolving work request tickets from our Problem Reporting & Tracking (PRAT) system as well as various other technology-related projects. Come and visit us in the Technology Center and help us welcome him into our ISD family! - Jay Krieger, Director of Technology

Sports Update – Finally, we defeated Bethesda Christian by 9 points! We have not beat Bethesda for thirteen years! Curtis Pfaff, Head Coach, says that the team did an excellent job. He is very proud of the whole team! Good job! The final score was ISD 45 and Bethesda 36. Bradley Pollard scored 14 points; Jon Mowl had 12. Calvin Doudt and Stanley Mangold each scored 6 points followed by Joseph Pfaff's 5 points.

4th-6th Grade Boys Basketball - In its fifth game, the 4th, 5th and 6th Grade Basketball Team faced one of the best teams (Bethesda) this year. We played physically a good defensive game and yet lost by almost 20 points. The final score was 47 to 28. During the first-half we battled against each other 19 to 13. We managed to stop their offensive threat early in the game. However, they caught us at our weaknesses forcing us to lose the ball several times. In the second half we didn't score enough to keep up with them. They scored 14 points each of the third and fourth quarters, while we had a total of 15 points. But, that is how the game is played. Their team actually played good ball game consistently, and we learned from them. Chris Lester, Colin Whited, Gabriel Paulone, Terry Hazzard, AJ Christian, Hipotlito Deluna, Chris Schuitema, Will Fetzer, TJ Neaover, Essam Soomro, and Joshua Ralstin saw action in yesterday's game. Keep up the good work!

HS Girls Basketball - Bethesda Christian 56 Indiana 31

For the past 3 years, the month of November has not been good to our team. Our shots did not fall well for us last night. We shot 27% for the game. The season is still young; it will be matter of time before things will fall for us. Keep your heads up, girls! Our current record is 0 – 3, and our next game is at Covenant Christian (November 30th).

Parent Support Group – This group will meet today in the Multi-purpose Room from 8:30 to 9:30. Diane Hazel-Jones and Brenda Tress-Mowl will facilitate the meeting.

Gallaudet Entrance Exam – Seniors, who plan to apply to Gallaudet University, will take the entrance exam on Thursday, November 30 from 8:50 a.m. to 12:10 p.m. in Vocational Building, Room 7111. For further information, contact Jeff Richards.

Directions to Tabernacle Christian School of Martinsville – The HS Boys Basketball Team plays Tabernacle in Martinsville, Indiana on Friday, December 1. Tabernacle is located at 2189 Burton Lane, Martinsville, IN (765 342-0501) Take Keystone South to I-70 W to I-465 S. Stay on I-465 S until Hwy 37 S exit (the sign should say Martinsville /Bloomington exit). Take 37 S all the way into Martinsville. Stay on 37 S until Burton Lane and make a right. (There is a Wendy's and McDonald's on the corner.) The school is located at this intersection, on the right-hand side. Use the side doors to the gym, which are facing the highway.

News from the Technology Center – I am happy to announce that the Technology Center has a new addition. We have brought in Peter Pickering on board. Peter is a husband of Cindy Pickering (Student Life). He comes from a deaf family from Connecticut. He has 3 brothers, parents, a sister-in-law, one nephew, cousins, aunts and uncles that are deaf. Recently, he attended RIT (Rochester, NY). He is an all-round sports fan, and he enjoys playing golf, soccer, and softball (and will play just about any sport). His hobbies include collecting sports cards, watching sports, camping and annoying his newly-wed wife. He will serve as our Computer Technician, and his duties at ISD are similar to our Bobby Jacobs. He will attend to resolving work request tickets from our Problem Reporting & Tracking (PRAT) system as well as various other technology-related projects. Come and visit us in the Technology Center and help us welcome him into our ISD family! - Jay Krieger, Director of Technology

Gallaudet To Begin Admitting Hearing Undergraduate Students

For the first time in Gallaudet University's 136-year history, hearing students will be admitted as full-time college students beginning in August 2001. This will be a trial program to measure the hearing students' impact on the undergraduate program. Up to two percent (2%) or six students of the freshman class will be hearing students. Officials from Gallaudet state that there have been many requests from hearing students to join Gallaudet as an undergraduate. Gallaudet currently has a program that allows visiting undergraduate students to enroll for a semester or more. Annually, this average about ten hearing students per year.

Astrid Goodstein, Executive Director of Enrollment at Gallaudet stated, "Under no circumstances will hearing students have special accommodations in any place on campus. Not in the classroom, not in the dorms, not in the register's office. They will be treated as equal to our deaf students." Ricky Taylor, a deaf student from Virginia working on his second bachelor degree and a masters, said, "I think the pilot program is a good way for the University to look into the opportunity of accepting hearing students. The student body will change for better because we'll learn from them and the world will be a better place because they will learn from us. In its own way, it will present a lot of challenge, but it will benefit the University and its students."

Jennifer Piroth, a hearing student from the University of Florida in Tampa, said, "Gallaudet offers the cultural immersion that I can't get anywhere else and in order to work with any population successfully, one has to get to know their culture."

The hearing students, who want to attend as undergraduates, must pass the ASLPI, submit SAT or ACT scores, send their high school transcripts and everything else a regular Gallaudet applicant does. (Summarized from *Silent News*, December 2000, Volume 32, Issue 12, pages 1 & 14.

Sports Update

HS Girls Basketball Manual 56 Indiana 37

We fought a tough battle trying to stay close to Manual for three quarters. Our plan was to overtake them in the fourth quarter, but ran out of gas in the middle of the last quarter. Don't give up Girls! Keep on trying! Our current record is 1 – 5; our next game is in the Clerc Classic on December 7.

MS Boys Basketball – Our team has won six straight games!! ISD defeated Morton Memorial by 14 points last night. The final score was ISD 40 to Morton Memorial's 26. Jon Mowl scored 17 points, 8 steals and 4 assists. Bradley Pollard scored 14 points and had 9 rebounds. Sammy Davis scored 6 points, 3 rebounds and 3 steals. The team's current record is 8 wins and 2 losses.

Spanish Speaker Needed - Any Spanish speakers out there? The Health Center would like to know if any ISD staff would be willing to be on call to lend their services in helping to contact Spanish-only speaking parents. This would primarily be if students were sick, injured or we needed to contact these parents with

important health information. If you are willing or would like more information please contact Deb at the Health Center at either ext. 279 or 409. Thanks so much!

Dessert Auction - The Middle School Dessert Auction will be held in the Auditorium on Thursday, December 7 at 8:50 am. MS students and all ISD staff members are invited to attend. Proceeds will go to the playground renovation. Donations of desserts or money will be happily accepted.

Picture Retakes – The retakes will occur on December 14. More information will be provided soon as to the time and location for the retakes.

Gift Bags Available - PTCO Gift Bags are still available. Stop in Diane Jone's office to purchase Holiday Gift Bags. Twenty-three (23) assorted sizes for \$20.00. Only 5 packages left!

New Meeting - A meeting entitled Parents as Employees is scheduled for today from 3:30 to 4:30 in the Multi-Purpose Room. Facilitators for the meeting will be Glenda Zmijewski and Diane Hazel-Jones. The topic will be how our roles are different than parents who do not work at ISD.

Dessert Auction - The Middle School Dessert Auction will be held in the Auditorium on Thursday, December 7 at 8:50 am. MS students and all ISD staff members are invited to attend. Proceeds will go to the playground renovation. Donations of desserts or money will be happily accepted.

Picture Retakes - The retakes will occur on December 14. More information will be provided soon as to the time and location for the retakes.

Visitor - Saul Gevarter, a Computer Literacy teacher from the Maryland School for the Deaf, will be at ISD today. G. Zmijewski will coordinate his visit to see how technology supports the curriculum.

Gift Bags Available - PTCO Gift Bags are still available. Stop in Diane Jone's office to purchase Holiday Gift Bags. Twenty-three (23) assorted sizes for \$20.00. Only 5 packages left!

Babies, Babies, Babies! The high school students will be involved in a program called "Baby, Think It Over", which is designed to simulate the responsibilities of having a child. The program discourages teen pregnancy. The program will start next Monday, November 20, and continue until December 6. Each week, the students will have the babies for 3-4 days so. Please be patient with the babies in your classrooms Tue, Friday and Monday until Dec. 6.

Technology News - For the month of November 2000, ISD received 62,312 web page hits from 5,933 users. Please remember that it's possible that the same users are counted more than once, because they usually receive different "internet address" each time they log into their ISPs. When we purchase WebTrends software, technology staff will be able to further break down the hits into "departments". Outreach has asked the Technology Center to provide more detailed hit counts for their pages.

HOOSIERS HELPING HOOSIERS - I wanted to take a moment and thank everyone for your generous donations and support. There is time remaining to donate non-perishables, toiletries, laundry items, bath soaps, shampoos, and much more. All items go to families that need a little help during this holiday season. Maybe it's time to check the cabinets and see if you have something to give, now is the time to bring in your donations and show our support. The location of boxes is as follows: Outside Assistant Superintendent's office, outside Mailroom/Switchboard room, inside of Brown Cafeteria, outside secretary's office in Willard Hall. Our collection will be picked up on December 7, 2000, at 9:00 am. Any questions can be directed to Sylvia at ext. 401 Thank you again for all your help to "HOOSIERS HELPING HOOSIERS".

VIRUS ALERT - W32/ProLin@MM is an Internet worm that spreads via email. The email comes with an attachment named CREATIVE.EXE, which carries the icon of a Shockwave Media Player application. You may receive the email in this format:

Subject = A great Shockwave flash movie
